

GIANTS CREATE NEW RECORD FOR WINNING GAMES

TWENTY-ONE STRAIGHT VICTORIES BY GIANTS BREAKS RECORD SET IN 1884 BY OLD TIME BALL PLAYERS

[Republican A. P. Leased Wire] NEW YORK, Sept. 25.—By winning another double header from St. Louis here today, the New York Giants won their twenty-first straight victory and created a new record for successive victories, amassing the record of the Providence Nationals, who won twenty straight games in 1884. Schupp and Peritt, who have both pitched great ball during the New York team's great run of victories, twirled in fine fashion and had the St. Louis batters at their mercy. Schupp tied the Providence record by shutting out St. Louis in the first game. During the winning streak, Schupp has pitched two two-hit games, two three-hit games and one six-hit game, three of them being shut outs. Score: First game: St. Louis, A B R H P O A. Boston Confident 'Twill Win' Red Sox Think Robins Also Have Cinch

[Republican A. P. Leased Wire] BOSTON, Sept. 25.—Reservations in the world's series games to be played in this city if the Boston Americans retain their league championship will be allotted on a basis of priority of mail applications, it was announced by the club management today. It is expected to start distribution on Wednesday. Not more than four tickets will be allowed to one applicant. The Red Sox preparation for the

title series has not been confined to the business end. Heine Wagner and Jack Barry, who, with Manager Carrigan, have formed the team's "board of strategy," have been assigned to observe the Brooklyn Nationals in coming games with a view to learning the style of play of the possible rival contenders. Barry's injured hand is healing but the question whether he can take his place at second base in the world's series is still an open one.

New Plays Introduced at H. S. Newsy Notes From School and Campus

Capt. Luke returned home Monday and was out guiding the pigskin artists. Coach Geary is trying out many new and intricate plays. These plays undoubtedly will have to be written on tissue paper as they are too deep for the neighboring high school. The athletic field was an immense cloud of dust as the varsity was playing an imaginary game of football and each huskie is doing his utmost. Every member out for football is so energetic and anxious that he would pull a tiger by the tail to play on the team. An outsider watching practice the other night commented on what a fine play that little short fellow was, with the red jersey and brown pants on, but when he received the answer that the youngster was Coach Geary he softly replied, "Wrong number central, ring again."

The team is now down to honest to goodness hard practice and when they do meet the red jersey, um, yum, mamma, what they won't do to them. Bill Corstien still sends the cry that every veteran and Alumnus to bring Gould, his glad rags down to the high school training quarters, Wednesday evening at 5:30.

The Alumnus who has three sons playing on the high school team will not play during the Alumni game. He claims that he still has a wife and baby at home and it won't be long before the rest of the Alumni will get next to themselves.

why long filler?

Imagine a cigar made from the chopped-up short filler on the left. You can just see how the criss-cross, jack-straw leaves will break up the draught of air and prevent the cigar from drawing evenly. That's the kind of cigar you have to keep lighting up when you smoke it.

Now look at a long-leaf filler cigar. You know it will draw evenly—if the cigar is hand-made. When the leaves are laid together as they are in the OWL, you get a full, even draught of air with every puff.

Long-leaf filler is one requisite of a good cigar, whether it costs 5 cents or 25 cents. You get long-leaf filler and nothing but long-leaf filler in the Million Dollar OWL.
